

Crystal Falls - June 11, 2011

We had a little weather to dodge, but the theme of the day was playoffs with Flights 1, 2, and 4 having to go to extra holes to be decided.

Congrats to all our winners, and a special thanks to our tournament sponsor, Bridgestone Golf, for the sleeve of balls given out to all participants and for the Closest to the Pin prizes!

Brasstown Valley - June 18-19, 2011

We had a little weather move through on Saturday, but we were able to pretty much complete the round to set up a great day on Sunday. The course played much softer and longer on Sunday, but overall people enjoyed the course and we had a great time and a chance to socialize as well with other great AGA TOUR members!

Congrats to all our winners, and thanks to everyone who came and joined us for a great weekend!

Rivermont - June 28, 2011

The rain held off and we had a nice day on a great golf course yesterday. Rivermont was in great condition and everyone really seemed to enjoy the course again this year which was nice to see.

Congrats to all our winners, and thanks to everyone who came and joined us for a great event!

BridgeMill - July 9, 2011

Well we had a hot and muggy day, but no rain so didn't have that to contend with that. We did have some good golf played, but seemed like the theme was people running out of gas given the heat. Overall, you can see the scores were pretty high, so the course played pretty tough and weather made it hot and tiring.

Congrats to all our winners, and thanks to everyone who came and joined us for a great event!

The Standard Club - July 18, 2011

The course was in great shape having just held their club championship, and the greens were rolling fast. We had some great play. **Congrats to all our winners, and thanks to everyone who came and joined us for a great event!**

We had 42 Below Vodka, Bridgestone Golf, and Royal Oak all help in sponsoring the event, and although no one won the hole in one prizes on the par 3's, we did have a number people get very close!

**Don't fall out of your chair -
American Express has arrived at
the AGA TOUR!**

It's a request that has been asked for for as long as we've been running the TOUR, and we have decided to change our credit card procedures and come into the 21st century by accepting credit card payments online - Visa, MasterCard, Discover, and yes, American Express - through a link to PayPal.

You will now see a "Make a Credit Card Payment" menu item which will take you to a screen that provides options for what you want to buy - membership, handicap service, tournaments. We are also providing the option of making skins payments for our tournaments using a credit card. There is a \$1 convenience fee for skins payments as we'll need to make sure we have enough cash to cover everyone who's prepaid online. Unless otherwise noted, there is no convenience fee for any other kind of online credit card payment.

So, if you're planning on using a credit card for a tournament payment, you will need to make sure you pay online before you arrive at the event. Of course we're not going to tell you to go home if you show up at the course with only a credit card and you haven't already paid, but our goal is to move all credit card payments online to help streamline registration - both pre-tournament and day-of.

This change only impacts those members who want to use a credit card for payments. Memberships, handicap services and tournament payments may still be made with cash or check, and if you want in the side pots and have not paid for them online, make sure you bring cash!

BARNESLEY GARDENS - SATURDAY, AUGUST 13
FINAL MAJOR!

Barnesley Gardens is one of the best daily fee courses in the area and is an AGA TOUR favorite - a must play! Many of our players make a weekend out of it and stay at the beautiful resort. We have been given a \$175 rate this year, so if you can, take advantage of this opportunity! This par-72 course was designed by veteran course architect, Jim Fazio, and opened in July of 1999. Fazio designed the course to blend into its natural surroundings. This event is the last major of the year and 150% of points are awarded as well as a sleeve of Bridgestone balls.

PINETREE CC - MONDAY, AUGUST 22

We are looking forward to our first trip back to Pinetree Country Club in Kennesaw after our rainy TOC last year. As it proved the last couple of times we played it, the course will be a good test on some awesome greens. The course re-opened the fall of 2008 and it is in fantastic shape!

LEGACY ON LANIER - SATURDAY, SEPTEMBER 3

We are heading back to Legacy on Lanier for our second year. This relatively new course is sure to provide a great day with some great competition. The course has some fabulous views of Lake Lanier and is very challenging, so make sure you bring your "A" game if you intend to compete. All food and beverage (non-alcoholic) is included! This should be a fun and exciting event, so if you're in town for Labor Day weekend, we hope to see you there!

THE LEGENDS - MONDAY, SEPTEMBER 12

There's no better way to enjoy a nice fall day than on the unique design of The Legends course at Château Élan. Located just north of Atlanta in Braselton, this course was crafted from the worldly experience of three great champions: Gene Sarazen, Sam Snead, and Kathy Whitworth. Each was asked to select six of their all-time favorite holes, and the result is a classic 18, bearing certain design elements from the legends' selections. Certainly noticeable at The Legends is the tribute to traditional golf course architecture of the early 1900's. This is an afternoon event with tee times starting at noon.

MEMBER/GUEST AT ECHELON - SATURDAY, SEPTEMBER 24

It's about that time of year to round up your buddy, father, brother or even an in-law and invite them as your guest to the annual AGA TOUR Member/Guest tournament! What a great chance to show your buddy the fun you have competing on the AGA TOUR. The tournament will be a two-man best ball net, which means we will take the best score between you and your partner, less your handicap for each specific hole. This event will have awesome prizes as always, and is sure to be a great event.

Lunch is being provided by AGA TOUR member, Curits Baugh (Dreamland Bar-B-Que), and there will be lots of great prizes for the Member/Guest portion of the event.

This will also be an AGA TOUR individual event as well as a team event. We always have a good time and great camaraderie!
