

Stone Mountain: Stonemont - July 30, 2011

Stonemont played very difficult as it always does, but the course was in good shape and the rough very tough as always. Thanks to all who came out, and congratulations to all our winners!

Echelon: 4th Major - August 13, 2011

After Barnsley announced on a Monday before the Saturday event that they were performing an emergency aeration on their greens, we scrambled and were fortunate that we could switch our Echelon and Barnsley Gardens dates! It was hot, but the course was in very good shape, and although it was difficult, we still had a number of good rounds to pick up victories. **Thanks to everyone who came and to Bridgestone and 42 Below Vodka for sponsorship!**

Pinetree CC - August 22, 2011

The course was in awesome shape and the greens were rolling pure and fast for everyone who joined us. As you can see by the scores, it played tough with fast greens, but everyone really enjoyed playing the course in such good shape when other courses with bent are really struggling right around now. **Congrats to all our winners, and thanks to everyone who came and joined us for a great event!**

Legacy on Lanier - September 3, 2011

The greens were very fast and certainly the course got the most of us this at Legacy on Lanier. It is sweet to play nice smooth Bermuda greens, especially when everyone is struggling to keep the bent grass alive. Everyone really seemed to enjoy themselves and we did have some good golf played.

Congrats to all our winners, and thanks to everyone who came and joined us for a great event!

Legends at Chateau Elan - September 12, 2011

Well the course definitely got the best of us, although that is somewhat expected as this is a really tough course and the firm Bermuda greens probably just added to the toughness. The scores they were pretty high, but the course was in very good shape and we couldn't have asked for more from the weather, so everyone seemed to enjoy hitting the links. **Congrats to all our winners!**

Bulova Accutron Summer Series

Congratulations to Paul Cain, winner of the 2011 Bulova Accutron Summer Series!

We finished up the Bulova Accutron Summer Series with events at Northwood CC and CC of the South. At Northwood, **Paul Cain** took top honors with a +5 in the Stableford format. It was a completely different turn of events at CC of the South where not one player even met their quota, much less was positive on the day. **Rusty Williams** secured the win with 22 points, but needed 23 for quota. Taking home the Bulova Accutron Summer Series points competition was **Paul Cain**. Overall, we had a lot of fun during the course of the Series and

If you have not played in a Bulova Accutron Series event yet, you are missing out!

Since its inception in 2009, 135+ players have participated and 5 Bulova Accutron watches have been awarded to Series champions in addition to lots of bucks in Edwin Watts gift certificates to event winners and lots of cash to skins winners!

As an added bonus to your AGA TOUR schedule, these lower cost events are lots of fun and full of great competition in a modified Stableford format. Depending on the size of the field, we play in one or two flights with course handicap used for everyone. Players compete for gift certificates each event, optional Gross and Net skins games, and points. The points accumulated at each event determine the Series winner who takes home a Bulova Accutron watch at the conclusion of the series!

So if you haven't already experienced a Bulova Accutron Series event, make sure to come out this Winter. Not only will you be keeping your game sharp during the off-season with real competition, but you'll have a lot of fun and a chance to take home a new watch!

Barnsley Gardens: Member/Guest & Final Major - September 24, 2011

What a great day we had out at Barnsley Gardens! After the cloud cover went away and let the sun out, it was just an awesome day. We had some very good golf played, but Barnsley Gardens is always a tough course, and overall the scores were still high as you might expect. We had a lot of great prizes given away and we appreciate all the support from all our sponsors who donated prizes - Arena Tavern, Barnsley Gardens Resort, Bridgestone Golf, Bulova Accutron, Edwin Watts Golf, Legacy on Lanier Resort, and also CHL (Consolidated Hardware Liquidators - Curtis Baugh) for sponsoring the lunch!
